

Seaport San Diego

Project Update

Guest Speaker

Yehudi "Gaf" Gaffen, CEO
Protea Waterfront Development

Seaport San Diego will be an interactive hub, featuring:

- An expanded park and public space that will open up our waterfront.
- Street shops and restaurants of all kinds that will bring vitality to the waterfront and downtown.
- A hospitality core comprised of lodging suitable for all pocketbooks to create 24/7 activity.
- Lifelong education in a marine-focused learning center with facilities for continuing studies.
- Water sports, an outdoor gym, beach volleyball, boating and swimming are also part of our plans.
- A revitalized commercial fishing basin at the historic Tuna Harbor site.
