Zoom Webinar

brightline
west

*A High-Speed Passenger Rail Service
Connecting Southern California and Las Vegas*

Guest Speaker

Adrian Share

Executive Vice President, Rail Infrastructure

Brightline West will be a 260-mile, fully electric, high-speed rail system linking Los Angeles to Las Vegas. The construction timeline is approximately 3 years. The project will create approximately 40,000 construction jobs with a \$9 billion economic impact. Once completed, the zero-emission system will take 3 million cars and 400,000 tons of CO2 off the road annually. Brightline West will be an easier, faster, cost-efficient, and stress-free way to travel between Los Angeles and Las Vegas.

Thursday, March 25

10:00 - 11:00 am
Zoom Presentation

**Zoom Log-in will be provided
to all registrants the Monday
before the event.**

\$89 / person until 3/19/21

Note: Registration closes 3/19/21 at noon.

All registration after that time
will only be accepted
at a rate of \$129 per person via the CN Office.
