# Caltrans Vision, Mission, and Values

**VISION** A brighter future for all through a world-class transportation network

**MISSION** Provide a safe and reliable transportation network that serves all people and respects the environment

## **VALUES**

- Engagement
- Equity
- Innovation
- Integrity
- Pride

# Caltrans Equity Statement

- **Acknowledgement** - Caltrans acknowledges that communities of color and under-served communities experienced fewer benefits and a greater share of negative impacts associated with our state's transportation system. Some of these disparities reflect a history of transportation decision-making, policy, processes, planning, design, and construction that “quite literally put up barriers, divided communities, and amplified racial inequities, particularly in our Black and Brown neighborhoods.”
- **Statement of Commitment** - To create a brighter future for all Californians, Caltrans will implement concrete actions as outlined in our Race & Equity Action Plan, regularly update our Action Plan, and establish clear metrics for accountability in order to achieve the following commitments:

## 🌟 New Updates. Feb 17, 2021 🌟

Surety 2000 is currently experiencing additional issues with bid bond verification. They are working to find a permanent solution. In the meantime, Surety 2000 does have a workaround for any bidder not able to successfully verify their bond. They estimate it will take about 15 minutes to resolve each customer issue. However, Surety 2000 advised they may not be able to quickly assist every user depending on how many bidders are affected. If contractors are having issues verifying your bond, please have your contractors contact Surety by phone 1-800-660-3263 or email [help@surety2000.com](mailto:help@surety2000.com).

## July 9, 2020

Requests for DES-OE records are available through the California Public Records Act (CPRA). The request should be specific and focused. The request should sufficiently describe records so that identification, location, and retrieval of the records can be achieved. Submit requests to the [Public Records Center](#).
