 - Design-Build Entities

SMALL BUSINESS OPPORTUNITIES

Regional Alliance Marketplace For Procurement (RAMP)

The screenshot shows the RAMP website interface. At the top, there is a dark blue header with the 'LOS ANGELES' logo on the left and navigation links for 'Update on coronavirus', '311 City Services', and 'LA City Directory' on the right. Below the header is a white navigation bar with the 'RAMP' logo and the text 'REGIONAL ALLIANCE MARKETPLACE FOR PROCUREMENT'. The main content area features a large teal-tinted image of a modern building interior with a curved walkway. Overlaid on this image is the text: 'Join Regional Alliance Marketplace for Procurement (RAMP) to access contracting opportunities from regional partners.' To the right of the image is a search form titled 'SEARCH FOR BID OPPORTUNITIES'. The form includes four input fields: 'Opportunity' (with a sub-label 'Title or Keyword'), 'Category', 'Status', and 'Type'. Below these fields is a green 'Search' button. At the bottom of the screenshot, the text 'RECENT OPPORTUNITIES' is visible.

**Register Through the City's
Centralized Contract Resource**
