LA METRO

West Santa Ana Branch Transit Corridor Project

The West Santa Ana Branch Transit Corridor (WSAB) project is a 19-mile corridor that Metro is evaluating for a new light rail transit line that would connect southeast LA County to downtown Los Angeles.

Guest Speaker

Meghna Khanna

Senior Director, County Planning & Development

June Susilo

Deputy Executive Officer, Program Management

Thursday, October 19

8:30 - 9:30 am
