# Caltrans Small Business Program

District accomplishments from 2022:

- Exceeded Caltrans' statewide small business goal of a 25% participation rate
- Achieved a 62 percent participation rate from Small Businesses and 4 percent from DVBEs in the 4th Quarter of the state fiscal year
- Achieved a 31 percent participation rate from our DBEs in our federally funded major construction contracts from October 2022 to date.

# Safety – Priority #1

Recent efforts:

Automated attenuators - Taking the driver out of the equation and letting the machine take the risk from a construction zone intrusion.

Wrong way driver technology - Piloting multiple variations of Advanced Detection Notification Systems using LiDAR and InfraRed sensors with visual and audio notifications

# Conclusion

- Partnerships
- Multimodal projects
