Z O O M

The High Desert Corridor Joint Powers Agency (HDC JPA) includes Los Angeles County, Los Angeles County Metropolitan Transportation Authority (L.A. Metro), and the cities of Adelanto, Lancaster, Palmdale and Victorville. The Agency is dedicated to securing critical funding for the continued planning, development, and construction of the Measure M High Desert Multipurpose Corridor Project linking the Antelope Valley in Los Angeles County with the Victor Valley in San Bernardino County. The first phase of the project will connect the areas through a new high-speed, intercity rail system—providing access to housing, jobs, entertainment, and cultural opportunities across Southern California while reducing freeway congestion. Eventually, the corridor will connect Southern California to Northern California, Las Vegas, and beyond.
