PURE WATER PROGRAM

Total value of new treatment facility is approximately **\$2B**, with multiple contract awards expected.

Learn about:

- The status, scope, and schedule for a **Progressive Design-Build contract opportunity** for the Pure Water Southern California Program's Advanced Water Purification Facility (AWPF) RFQ
- How prime contractors and consultants build their project teams
- Small Business and Disabled Veteran Business Participation Requirement: minimum 25%
- This project will be subject to the requirements of a Project Labor Agreement

Tentative Schedule:

- Spring 2024: issue RFQ
- End 2024: award contract
- 2030: deliver 30 MGD
- 2032: deliver 115 MGD
