Hoag Newport Beach

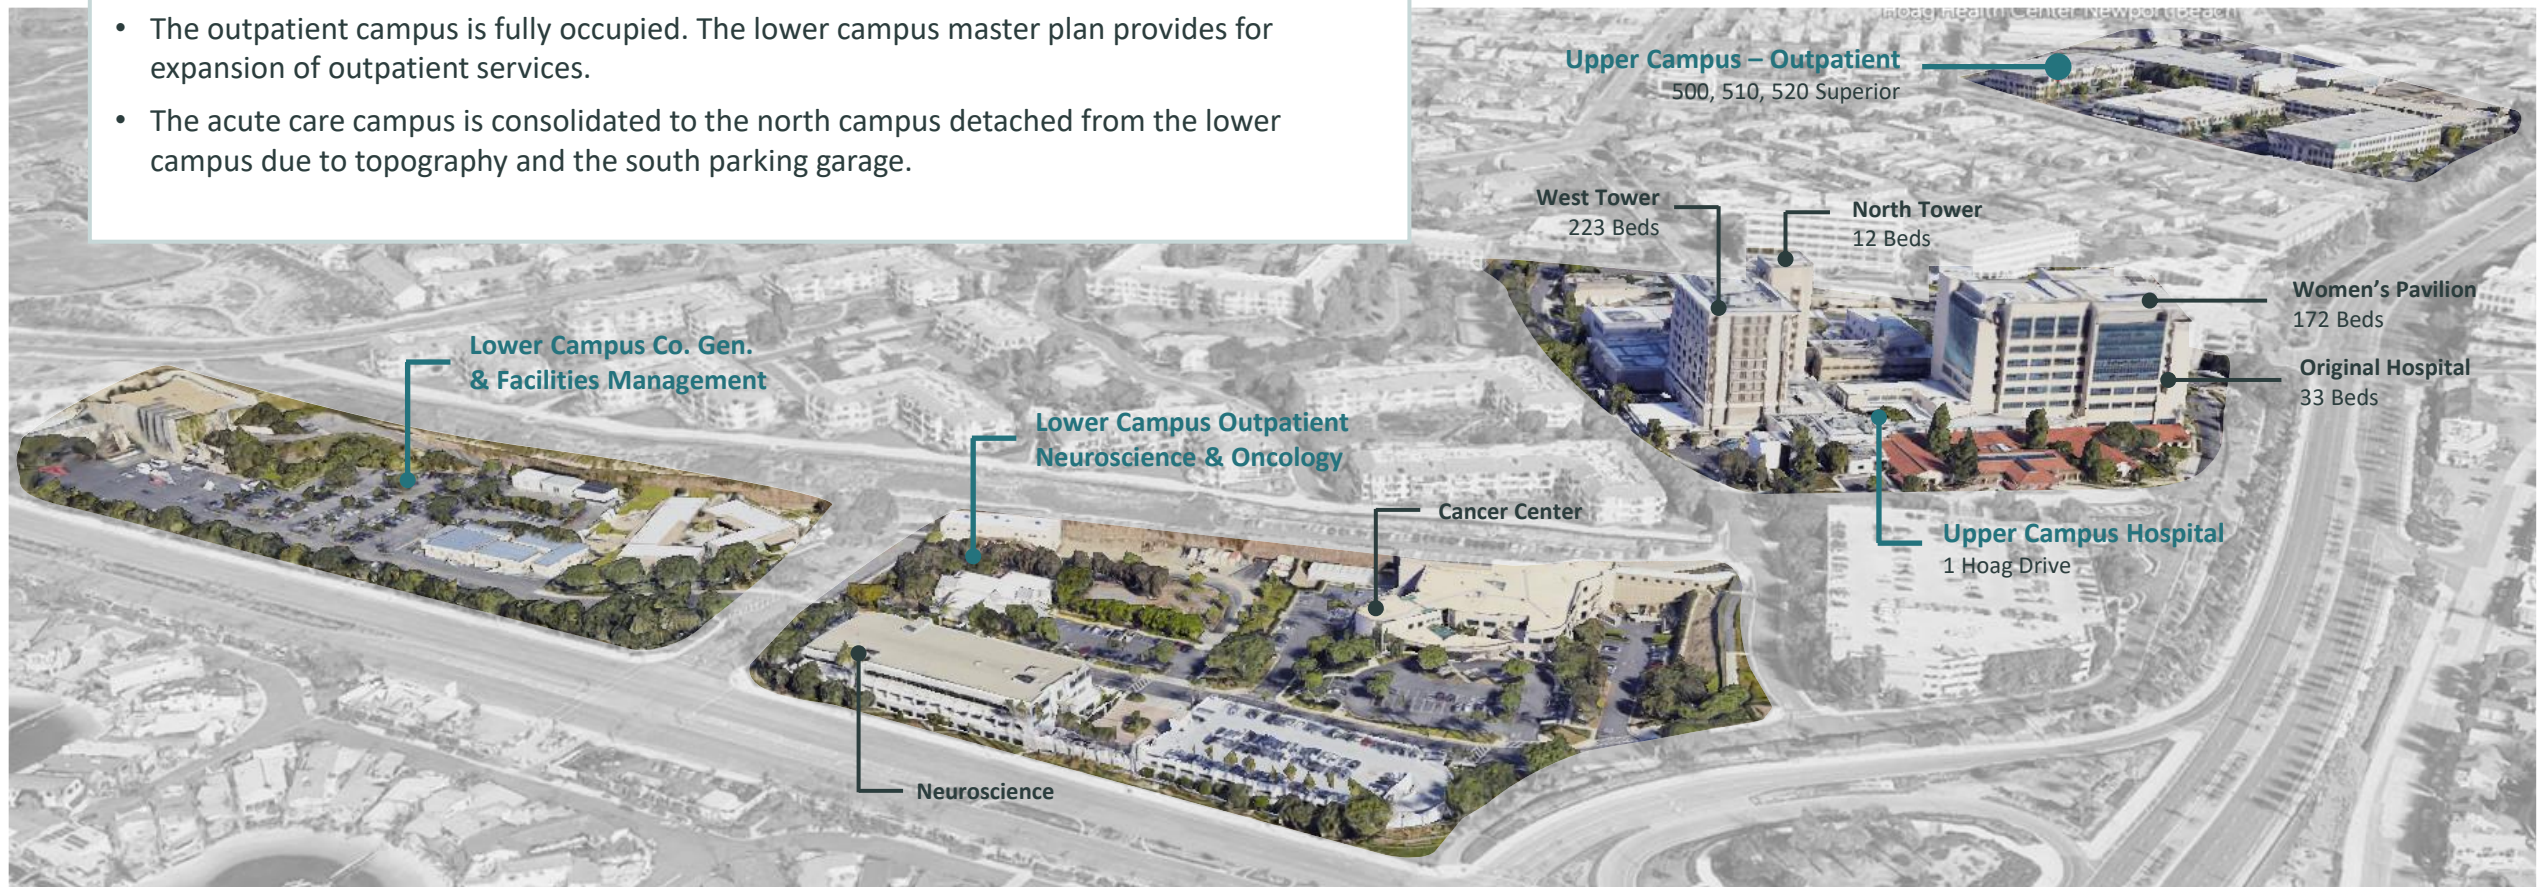

A photograph of the Hoag Newport Beach building, a modern multi-story structure with large glass windows, situated behind a marina. The marina is filled with numerous white yachts and boats. The scene is set against a blue sky with scattered white clouds. The entire image has a dark blue overlay, and the text 'Hoag Newport Beach' is centered in white.

01 | VISION & STRATEGY

Current Campus - 440 Beds

CAMPUS CONSIDERATIONS FOR 2050

- There is minimal space available for new acute care services expansion or growth of existing departments.
- The West Tower can be seismically upgraded to allow for beds to remain operational.
- The outpatient campus is fully occupied. The lower campus master plan provides for expansion of outpatient services.
- The acute care campus is consolidated to the north campus detached from the lower campus due to topography and the south parking garage.

02 | CAMPUS APPROACH

Tower

- 8 Stories
- 150 Beds
- 464-569 Campus Beds

One high-rise building with matching floor levels.

Institute

- 4 Stories, 2 Bldgs.
- 158 Beds
- 472-577 Campus Beds (515 Beds Phase 1)

Multiple connected mid-rise hospital buildings

* Campus Bed Count varies based on West Tower remodel beds from 223 to 118

03 | CAMPUS GOAL

Hoag 2050 Campus Development

Develop Lower Campus in alignment with Lower Campus Masterplan to expand Outpatient Institute services and support. Expand Inpatient Institute services to support market growth through 2050.

04 | CAMPUS CONCEPT

An aerial photograph of a coastal region, likely in California, showing a bay and surrounding land. The image is overlaid with a dark blue, semi-transparent filter. A network of roads is visible, with several major routes highlighted in a light yellow-green color. These routes include Highway 73, Highway 133, Highway 1, Highway 74, and Highway 5. The text "Outpatient Projects" is centered in the image in a large, white, sans-serif font.
