METROLINK

Upcoming Projects & Procurements

Guest Speaker

Andy Althorp

Director, Construction

Andy will discuss

- Summary of Metrolink' Program Delivery Department functions and responsibilities
- Types of projects and associated construction contracts
- Understanding of the Railroad environment – construction on an operational railroad, training requirements, site safety
- Upcoming projects/procurements
- Summary of Metrolink's role and ridership goals to become a true regional railroad for the Olympics and beyond, and how we propose to achieve this through both our Southern California Optimized Rail Expansion (SCORE) and State of Good Repair Programs
