Facilities Management (FM) is comprised of:

- Nine separate divisions
 - Administration
 - **Project Management Office**
 - **Real Estate**
 - Maintenance
 - Custodial
 - Parking
 - Environmental
 - Energy
 - **Community Centers**
- Serves 42 county departments and agencies
- Approx. 14.3 million square feet of county-owned and leased space.
- The Director of Facilities Management is the designated Building Official for county owned buildings
- Responsible for ensuring that county facilities are designed, constructed, operated, and maintained to standards established by the Board and in compliance with building code requirements and laws and statutes.

Other FM Divisions

- Administration Division – Responsible for accounting, financial and administrative functions department wide, responsible for overall budgeting and financial compliance.
- Maintenance Division – Responsible for daily preventative and predictive maintenance, emergency requests and small tenant improvement projects on all county facilities.
- Custodial Division – Responsible for daily cleaning, custodial, day porter, and pest control services on county facilities.
- Parking Division – Responsible for operations of the county parking garages and general parking enforcement duties countywide.
- Environmental Division – Responsible for environmental compliance issues, CEQA review.
- Energy Division – Responsible for processing utility invoices, energy management and analytics.

P3 – Public Private Partnership Delivery

FEATURES

- ▶ Pursue P3's through Competitive RFP Process
- ▶ Partnership between Private Developer/Landlord and County for projects in public safety, healthcare and human services.
- ▶ County-Owned Property or Private Property
- ▶ Developer Financed, Designed and Constructed
- ▶ Developer and County enter into long-term lease arrangement where County assumes ownership of the improvements at the end of the term
- ▶ Facility is Owned and Managed by Developer/Landlord
- ▶ Construction Costs Amortized and Purchase Option Negotiated
- ▶ The benefit of this project delivery model is faster speed to market for a project and typically lower cost of funds to execute a project

County Law Building – District Attorney, Public Defender Offices
Project Value: \$44,400,000
LEED Platinum

Indio
Project Size: 90,363 sf

Real Estate Division Private Public Partnership (P3) Projects

Riverside County Library System, French Valley Library
Project Value \$18,000,000
Project Size: 25,000 SF

Riverside University Health System – Family Care Clinic, Palm Springs
Project Value: \$21,000,000
Project Size: 35,000 SF
LEED Silver

Riverside County Library System, Desert Hot Springs Library
Project Value \$13,000,000
Project Size: 15,000 SF
LEED Silver

Riverside County Library System, Meniffee Library
Project Value \$16,000,000
Project Size: 20,000 SF
LEED Silver

Real Estate Acquisitions and Special Projects

- Downtown Law Building – District Attorney offices. Project value \$148M, 270,000 sft.

- Acquisition for Mt. San Jacinto Community College District, Temecula. \$56.5M, 370,000 sft on 21 acres.

- RFP for Master Plan and Development of Healthcare Facilities (Above)
- Medical Surgical Center (MSC) P3 project (Below) 206,000sf, \$152M

COMMUNITY CENTERS

- Facilities Management (FM) oversees nine Community Centers that offer a diverse array of services to the community. These centers provide access to recreational activities, educational programs, fitness facilities, and social gathering spaces, all designed to enhance the quality of life for residents of all ages.

- Additionally, FM has oversight on two waterparks, two Big League Dreams locations, and the Riverside County Fairgrounds in Indio.

- The trusted operators we work with not only maintain these facilities but also host numerous events throughout the year to bring the community together.

COMMUNITY CENTERS

*Bermuda Dunes
Blythe
Cabazon
Good Hope
Highgrove
Indio Hills
Lakeland Village
Perret Park

Real Estate and Community Services Special Projects

- Special Operator Agreements
 - FM has found success in partnering with outside agencies for the delivery of certain key services or events.
 - Private sector operator is the subject matter or industry expert to conduct a special event or operation and make it profitable.
 - County routinely engages in an operating agreement for mutual contribution towards capital improvements and revenue sharing.
 - With the partnership of an operator, County's costs and staff time are reduced in managing these events/services.
 - Some recently successful partnerships include:
 - Pickering Events LLC at the Riverside County Fairgrounds
 - Stanguard, operator of County-owned water parks
 - Big League Dreams, operator of county-owned ballfields
 - Mead Valley Outdoor Marketplace Food Truck Concept

Real Estate Opportunities for Partnership

- Private sector landlords looking to lease property
- Buyers and Sellers of real estate
 - County surplus list
 - Affordable housing groups (through CA HCD)
- Private Sector development groups (P3) projects
- Government, Private Sector, and Non-profit tenant inquiries
- Vendors for select custodial and maintenance services

- Other consultant services:
 - Title and Escrow
 - Appraisal Services
 - Architecture, Engineering, and Environmental Services
 - Property Inspection, Life cycle costing, CASP surveys
 - Other property management and vendor services
 - Furniture and other office supply/service vendors
- FM Website – RFP/RFQ section
- FM tri-annual H7 approved County Vendor list.
- *Email us! Get on the courtesy notification list.*
