

CITY OF SANTA ANA

PUBLIC WORKS AGENCY

ABOUT US

The City of Santa Ana Public Works Agency delivers infrastructure improvements that enhance mobility, safety, sustainability, and quality of life for more than 300,000 residents in the heart of Orange County.

From streets and traffic systems to utilities, parks, and public facilities, our work is focused on building a stronger, safer, and more connected community. We are not just delivering projects — we are building partnerships that support long-term investment, economic vitality, and the future of Santa Ana.
