Tony Olmos
Director of Public Works

City of Long Beach
Jonathon Bolin
Business Operations Bureau Manager

City of Glendale
Daniel Hernandez
Director, Public Works

City of Torrance
Josh Soliz
Engineering Manager

CITY OF LONG BEACH – PUBLIC WORKS DEPARTMENT

Elevate '28 is the City's five-year Infrastructure Investment Plan (FY 2023–2027), focused on improvements across parks, public and community facilities, mobility, and streets. This historic initiative maximizes available funding, including voter-approved Measure A, along with competitive local, state and federal grants to deliver an unprecedented volume of projects citywide. Originally launched as a $533 million plan, Elevate '28 has grown into an investment of more than $1 billion ad over 180 projects. With over $300M from Measure A and approximately $934M from regional, state, and federal sources, it represents the largest infrastructure program in the City's history.

To communicate the Elevate '28 plan to the public and serve a hub for project information, a dedicated website has been created. The website includes unique project information pages that provide project details such as scope, budget, location, target construction start and completion dates, amount of funding currently secured, and current phase of the project. Information is regularly updated and is displayed through Power BI which allows the public to easily sort and filter the Elevate '28 information in greater detail.

UPCOMING PROCUREMENT OPPORTUNITIES

All City procurements must be bid through Long Beach Buys (longbeachbuys.buyspeed.com). This purchasing platform is free for all businesses and organizations seeking to do business with the City.

Capital Projects to be out to Bid in the near future:

LGBTQ+ Cultural District – Furnish and Install String Lights

- Construction Bid Date: **LIVE NOW!**
- Scope: Color-changing decorative LED string lights to be installed above a public road.

1st Street Pedestrian Improvements

- Construction Bid Date: **LIVE NOW!**
- Scope: The Pacific Avenue Corridor Improvements Project upgrades Pacific Avenue between PCH and Wardlow Road to create a safer, more accessible, and better connected street for all roadway users. The project enhances mobility and improves overall roadway conditions while supporting safer travel through the community, including roadway rehabilitation, new traffic striping, new signalized intersections, reconstruction of ADA curb ramps and sidewalks, and new bus shelters.

Marine Stadium Electrical Infrastructure

- Construction Bid Date: **LIVE NOW**
- Scope: Providing infrastructure to deliver utility owned high voltage service to the Marine Stadium parking lot to support new service for existing structures. This includes installing a new transformer and switchgear at three specified locations, removing existing transformers, and constructing new low voltage power distribution systems.

Alamitos Bay Berth 1 and 2 Dock Replacement

- Construction Bid Date: **LIVE NOW**
- Scope: Removal and disposal of Berth 1 dock gangway, gangway hinge, Berth 2 dock, gangway and gangway hinge and utilities. Install a new singular concrete dock, concrete abutment, aluminum gangway, gangway hinge, potable water system, sewage pump-out system, firewater system, electrical system, LED lighting, guardrails, sidewalks, curbs, handrails, curb ramp, pavement markings, trash receptacles, navigation lighting, signage, and irrigation repair; and all necessary cleaning and trash removal.

Fleet Services EV Charging Depot

- Construction Bid Date: **LIVE NOW**
- Scope: The work to be done consists primarily of installation of 5 dual-port Direct Current Fast Chargers for Electric Vehicle charging as well as a Battery Energy Storage System connected to the charging equipment.

10th Street Greenbelt

- Construction Bid Date: Fall 2026
- Scope: The 10th Street Greenbelt Walking Path Project will improve the former right-of-way with the addition of a walking trail, enhanced landscaping, and other recreation amenities.

Cambodia Town Grand Entrance

- Construction Bid Date: Fall / Winter 2026
- Scope: The Cambodia Town Grand Entrance project installs a prominent and distinct signage to the City's historic Cambodian Town.

Skylinks Golf Course - Stormwater Capture Project

- Construction Bid Date: Fall / Winter 2026
- Scope: The Skylinks Regional Stormwater Capture Project serves to address stormwater quality for both the Los Cerritos Channel Watershed and the Alamitos Bay Watershed Management Area. The Project will treat both dry- and wet-weather runoff by diverting flows from Los Cerritos Channel into a subsurface infiltration basin with a capacity of 6 acre-feet. A portion of these flows will be pumped to a 200,000 gallons (0.7 acrefeet) vegetative pond where it will be treated though a filter system before returning to a channel. The Project will also incorporate walking trails, benches, native plants, and interpretive signage.

On-Call / JOC Contractor Need:

- Over $200 million of the Elevate ‘28 Plan is expected to be delivered by On-Call and/or Job Order Contracting (JOC) contractors. Be on the lookout to bid for on-call / JOC contracts. On-Call contracts consist of awarding a bench of consultant engineers, project managers, traffic engineers, survey, inspection, material testing, etc. These are typically bid out and awarded on 3 year + 2 optional year extensions. **LIVE NOW.**

- Upcoming opportunities include:
    - As-needed Professional Surveying Services: **LIVE NOW**
    - As-needed electrical services and EV Charging Infrastructure Installation and Maintenance Service: **LIVE NOW**
    - As-needed Traffic Signal Poles / Traffic Signal Installation / LED Traffic Modules **LIVE NOW**
    - As-needed Stormwater Pump Station Repairs

Capital Improvement Plan

Capital Improvement Plan

The FY 2026-27 Capital Improvement Projects (CIP) budget totals $239,106,209 for all funds collectively. A capital project is defined as new construction or significant upgrade to existing infrastructure, with a minimum life expectancy of three years and a minimum expense of $25,000. The cost for each capital project incorporates both direct construction costs and indirect costs such as design and project administration, representing the preliminary estimate for salaries, maintenance and operation costs, where applicable.

Maintenance & Operating Cost Impacts

The potential budgetary impact of any Adopted capital project is carefully considered as part of the capital improvement project review process. Capital Improvement Projects can have long-term impacts on the annual operating budget of the City. When a project is constructed that requires new or increased maintenance costs by the City, funds must be budgeted to cover these expenses. Capital Improvement Projects may also reduce operation and maintenance costs. Adjustments to the City's budget in the first year following the completion of a project are usually the anticipated project-related expenses. These maintenance and operating expenses can include labor, materials, equipment and utilities, as well as contract services.

The City's Capital Improvement Projects (CIP) for Fiscal Year 2026-27 will provide needed infrastructure improvements Citywide. The following is a listing by fund and code. (Note: Funds for these projects come from a variety of sources including General Fund, Special Revenue Funds, and Proprietary Funds. The amounts budgeted will fluctuate annually.) A description of each project along with funding sources is as follows:

Fund	Proj No. and Fund	Project Name	Category	Fund	Project Descriptions D = Design Phase C = Construction Phase	FY27
059	P62600.059.CONST	**Crenshaw Blvd Improvement Project**	Transportation & Public Infrastructure	059 SB1 RMRA	D, C - Street rehabilitation project; Phase 1 construction completion FY26 Q1; Phase 2 construction FY27, completion FY28.	**2,000,000**
					Gas Tax (SB 1 RMRA) Fund Total	**2,000,000**
061	P63300.061.CONST	**Transit Stop Improvements**	Transportation & Public Infrastructure	061 Prop A LR	D,C - Annual program for desing and construction; Citywide survey and assessment of bus/transit stops, design and estimate for rehabilitation and upgrade - FY27 Bus Shelter and Trash Receptacles; installation of new bus shelters and trash receptacles as per specifications and ADA requirements.	**4,000,000**
					Proposition A Local Return Fund Total	**4,000,000**
062	TR0003.062.CONST	**FY27 Street and Alley Rehabilitation**	Transportation & Public Infrastructure	062 Prop C LR	D, C - FY27 local street and alley project; Shared cost Prop A, TDA, Prop C, Measure R; FY27 also General Fund.	**1,225,000**
062	P67600.062.CONST	**Active Transportation Program**	Transportation & Public Infrastructure	062 Prop C LR	D, C - First Last Mile Project to improve street crossings and multi-modal flow within 1 mile from train stations. Construction FY27.	**784,424**
062	P64700.062.CONST	**ITS Master Plan**	Transportation & Public Infrastructure	062 Prop C LR	D - ITS planning and annual project support.	**106,062**
062	P65100.062.CONST	**Pavement MNGT PRGM Upgrades**	Transportation & Public Infrastructure	062 Prop C LR	D - Task order for pavement condition report, complete by FY27 Q1.	**100,000**
062	P67100.062.COSNT	**Signal Synchronization and ITS Program**	Transportation & Public Infrastructure	062 Prop C LR	C - Studies and update of traffic signal timing plans, convert intersections to latest controller software, upgrade detection systems; multi-year project.	**200,140**
062	P62300.062.COSNT	**Street Geometry Improvements**	Transportation & Public Infrastructure	062 Prop C LR	D - Task orders for street design and intersection revisions including design review and revisions.	**270,000**

062	P63100.062.CONST	**Street Lighting & Roadway Safety**	Transportation & Public Infrastructure	062 Prop C LR	D, C - Design, procurement and construction of street lighting upgrades to enhance pedestrian, vehicle and multimodal safety; multi-year program. Future years for Manchester Blvd	**300,000**
062	P68900.062.CONST	**Street Signs & Markings Rehabilitation**	Transportation & Public Infrastructure	062 Prop C LR	D, C - Street markings, signage and wayfinding signage upgrades, multi-year program.	**150,000**
					Proposition C Local Return Fund Total	**3,135,626**
063	P630	**Sidewalk Replacement - TDA**	Transportation & Public Infrastructure	063 TDA Article 3	C - Sidewalk improvements, annual funding program; FY27 allocation = $89,366	**89,366**
					TDA Article 3 Fund Total	**89,366**
065	TR0003.065.CONST	**FY27 Street and Alley Rehabilitation**	Transportation & Public Infrastructure	065 Measure R LR	D, C - FY27 local street and alley project, $7.4M; shared cost Prop A, TDA, Prop C, Measure R; FY27 also General Fund.	**500,000**
065	P60200.065.CONST	**ATP Cycle 7**	Transportation & Public Infrastructure	065 Measure R LR	D - Westchester-Veterans Multi Modal Project along Florence Ave from Hindry Ave to Ash Ave. Design and constructing new bike lane, sidewalk, curb ramps, and traffic signal. State grant total is $7.656 million and will fund construction. City to fund design of $1.5M.	**865,000**
065	P65400.065.CONST	**Sidewalk and Ramp Rehabilitation**	Transportation & Public Infrastructure	065 Measure R LR	D, C - Annual program for miscellaneous sidewalk and curb ramp access improvements.	**250,000**
065	P63100.065.CONST	**Street Lighting & Roadway Safety**	Transportation & Public Infrastructure	065 Measure R LR	D, C - Design, procurement and construction of street lighting upgrades to enhance pedestrian, vehicle and multimodal safety; multi-year program. Future years for Manchester Blvd	**450,000**
065	P68900.065.CONST	**Street Signs & Markings Rehabilitation**	Transportation & Public Infrastructure	065 Measure R LR	D, C - Street markings, signage and wayfinding signage upgrades, multi-year program.	**150,000**
065	P62600.065.CONST	**Crenshaw Blvd Improvement Project**	Transportation & Public Infrastructure	065 Measure R LR	D, C - Street rehabilitation project; Phase 1 construction completion FY26 Q1; Phase 2 construction FY27, completion FY28.	**900,000**

065	P65000.065.COSNT	**Traffic Signal Improvement Program**	Transportation & Public Infrastructure	065 Measure R LR	D, C - Traffic studies and design for installation of traffic signal system and operations improvements, fiber optic equipment and ITS; multi-year program; CMS playbook 22-023 Kimley Horn.	**350,000**
065	P67500.065.COSNT	**TMOP Program**	Transportation & Public Infrastructure	065 Measure R LR	D - Traffic Management Operation Plan to manage traffic for special events within the City; multi-year program	**225,000**
065	P64900.065.COSNT	**Traffic Safety Sign Project**	Transportation & Public Infrastructure	065 Measure R LR	D, C - Upgrade of traffic and regulatory signage in compliance with State MUTCD, multi-year program.	**25,000**
					Measure R Local Return Fund Total	**3,715,000**
067	TR003067.CONST	**FY27 Street and Alley Rehabilitation**	Transportation & Public Infrastructure	067 Measure M	D, C - FY27 local street and alley project; Shared cost Prop A, TDA, Prop C, Measure R; FY27 also General Fund.	**350,000**
067	P66900.067.CONST	**Aviation Boulevard Improvements**	Transportation & Public Infrastructure	067 Measure M	D, C - Street rehabilitation project from Arbor Vitae to Manchester; design completion FY26, construction FY26 to Jun FY28; split costs 067 Msr M and Grant Measure M MSP.	**250,000**
067	P62600.067.CONST	**Crenshaw Blvd Improvement Project**	Transportation & Public Infrastructure	067 Measure R LR	D, C - Street rehabilitation project; Phase 1 construction completion FY27 Q1; Phase 2 construction FY26, completion FY28; construction support costs.	**2,000,000**
067	P634	**Manchester Blvd Project SBCCOG**	Transportation & Public Infrastructure	067 Measure M	D - Street improvement project, resurfacing, ADA and landscaping improvements, pavement delineation; design FY26, FY27, construction estimated FY28 costs 067 Msr M.	**100,000**
					Measure M Local Return Fund Total	**2,700,000**
069	P62600.069.CONST	**Crenshaw Blvd Improvement Project**	Transportation & Public Infrastructure	069 Call For Projects	D, C - Street rehabilitation project Phase 2 construction FY27, Prop C Fullfilment funds.Completion FY28.	**325,947**
					Call For Projects Fund Total	**325,947**

072	UT0002.072.CONST	**Darby Park Stormwater**	Utilities	072 Measure W Fund	D - Design of a multi-benefit stormwater improvement project; Will include park amenities, regional water quality benefits. Feasibility study completed. FY27 $395,250 and FY28 $395,250 of LA County's Safe Clean Water Program.	**395,250**
072	P50600.072.CONST	**Enhanced Watershed Management Project**	Utilities	072 Measure W	D - Watershed improvement program activities: Ballona Creek watershed management, Dominguez Channel watershed management, NPDES inspections.	**164,000**
072	P50302.072.CONST	**Stormwater Project @ EVJ Park**	Utilities	072 Measure W	C - FY27 EVJ Vincent Stormwater construction project; Funded by Measure W (local return, Measure W (Competitive), Caltrans, LA County, and General Fund.	**1,000,000**
					Measure W Fund Total	**1,559,250**
073	P67600.073.CONST	**Active Transportation Program**	Transportation & Public Infrastructure	073 Msr M Capital Projects	D,C - First Last Mile Project to improve street crossings and multi-modal flow within 1 mile from train stations. Construction FY27. 073 P673 measure M grant MM44602.06 $6.5M	**6,108,857**
073	P66900.073.CONST	**Aviation Boulevard Improvements**	Transportation & Public Infrastructure	073 Msr M Capital Projects	D, C - Street rehabilitation project; design completion FY26, construction FY27 to Jun FY28; split costs 067 Msr M.	**5,500,000**
073	P68700.073.CONST	**CMS / CCTV Improvements Project**	Transportation & Public Infrastructure	073 Msr M Capital Projects	D - CMS and CCTV upgrades; design $1M FY27, Measure M grant MM5507.10 Fund 073; FY26 and FY27 develop CMS playbook under Kimley Horn PO no PC25-001355 charged to P650.	**100,000**
073	P6000.073.CONST	**Crenshaw Boulevard-ITS**	Transportation & Public Infrastructure	073 Msr M Capital Projects	D, C - ITS improvements; Phase 1 construction completion FY26 Q1; Phase 2 construction FY26, completion FY27, Measure M grant MM5507.11 (max $14 Million - phase 1 and 2 combined).	**9,000,000**
073	P68800.073.CONST	**Downtown ITS Project**	Transportation & Public Infrastructure	073 Msr M Capital Projects	D, C - Agreement 23-223 in progress for design; construction FY27; funding LA County MTA Measure M grant MM5507.06.	**12,900,000**
073	P60100.073.CONST	**Manchester Blvd and Prairie Ave ITS**	Transportation & Public Infrastructure	073 Msr M Capital Projects	D - Design of traffic signal and fiber optic upgrades along Manchester Blvd and Prairie Ave, MTA Measure M grant MM5507.05 $1.5M for design FY27.	**1,500,000**

					Measure M Capital Projects Fund Total	**35,108,857**
074	P67300.074.CONST	**Transit & Intercity Rail Cap Prog-ITC**	Transportation & Public Infrastructure	074 Transit & Intercity Rail Cap Prog-ITC	D, C - Multi-Year program for design and construction of local transit system and related improvements	**25,548,576**
					Transit & Intercity Rail Capital Program Fund Total	**25,548,576**
076	P50302.076.CONST	**Stormwater Project @ EVJ Park**	Utilities	076 Measure W Regional Fund	D,C - 23-308 Woodard and Curran, stormwater improvements design in progress; C - FY27 EVJ Vincent Stormwater construction project; Funded by Measure W (local return, Measure W (Competitive), Caltrans, LA County, and General Fund	**2,625,000**
					Measure W Regional Fund Total	**2,625,000**
090	UT0001.090.CONST	**Sewer Line Replacement Construction Phase 1**	Utilities	090 Sewer	D,C - Replacement of sewer line sections identified by sewer crew at several locations/section of main required replacement. Current task order was issued to Harris Associates to do the sewer replacement design.	**825,000**
090	P50001.090.CONST	**Sewer System Improvements**	Utilities	090 Sewer	D, C - On-call CCTV condition assessment for sewer replacement.	**70,036**
					Sewer Fund Total	**895,036**
110	UT0003.110.CONST	**FY27 Gate Valves Replacement**	Utilities	110 Water Utility	C - Replacement of broken valves (22 x 6-inch gate valves) needed to shut off water system in case of an emergency.	**400,000**
110	UT0004.110.CONST	**Micro-Hydropower Turbine Project**	Utilities	110 Water Utility	D,C, - design and installation of HydroXS micro-hydropower turbine energy generating control valves; generating electricity from the flow of water in pressurized pipe. Once project is completed, revenue will be collected from the sale of energy created: Sole-source contract award with InPipe Energy Inc.	**1,482,238**
110	UT0005.110.CONST	**North Inglewood Reservoir Ventilation Improvement Project**	Utilities	110 Water Utility	C - Replacement of rusted metal ventilation assembly at North Inglewood Reservoir to prevent metal contamination.	**250,000**

110	UT0006.110.CONST	**Zone 1 Water Main Replacement Project**	Utilities	110 Water Utility	C - Replacement of water mains located within Water Pressure Zone 1 with ductile iron pipe (DIP) - the existing old cast-iron pipeline and asbestos-cement pipeline are near their useful service life.	**6,500,000**
110	UT0007.110.CONST	**Well 5**	Utilities	110 Water Utility	D, C - New Well (Well 5) to include new pump/motor assemblies, new equipment and pipeline to connect to water treatment plant; Location @ southwest corner lot at Yukon and 107th St. Design in FY27. Construction FY28.	**1,000,000**
110	P80100.110.CONST	**Water Plant Bldg. Improvements**	Utilities	110 Water Utility	C - Water treatment plant improvements: electrical power system upgrades and replacement of six booster pumps, 24-117, Bucknam & Associates.	**614,860**
110	P80600.110.CONST	**Install Scada System**	Utilities	110 Water Utility	C - SCADA system repairs and upgrades for improved services and code compliance.	**100,000**
					Water Utility Fund Total	**10,347,098**
221	PR0001.221.CONST	**Siminski Park Restroom Project**	Parks & Recreation	221 HUD (CDBG)	D, C - Restroom remodel	**550,000**
					HUD CDBG Fund Total	**550,000**
223	TR0002.223.CONST	400 Centinela AHSC Transportation Project	Transportation & Public Infrastructure	223 State Trans Grant	D,C - Transportation-related infrastructure improvements, including pedestrian, bicycle, and street connectivity enhancements identified in the approved AHSC application.	**200,000**
223	TR003.223.CONST	FY27 Street and Alley Rehabilitation	Transportation & Public Infrastructure	223 State Trans Grant	D, C - FY27 local street and alley project; Shared cost Prop A, TDA, Prop C, Measure R; FY27 also General Fund.	**150,000**
223	TR004.223.CONST	Gateway 105 Freeway Project	Transportation & Public Infrastructure	223 State Trans Grant	C -Cleanup of public rights-of-way/spaces to address recurring litter accumulation, illegal dumping, and visual blight along the I-105 offramps @ Prairie and Crenshaw.	**200,000**
223	TR0005.223.CONST	I-405 Corridor @ Manchester Project	Transportation & Public Infrastructure	223 State Trans Grant	C -Cleanup of public rights-of-way/spaces to address recurring litter accumulation, illegal dumping, graffity, and visual blight along the I-405 offramp @ Manchester Blvd.	**200,000**

223	TR0006.223.CONST	I-405 Green Gateway @ Century Project	Transportation & Public Infrastructure	223 State Trans Grant	C -Cleanup of public rights-of-way/spaces to address recurring litter accumulation, illegal dumping, and visual blight along the I-405 offramps @ Century Blvd., Manchester Blvd., and La Cienega Blvd.	**200,000**
223	P62600.223.CONST	Crenshaw Blvd Street Improvement	Transportation & Public Infrastructure	223 State Trans Grant	C - Crenshaw Blvd Phase 2; street improvement along the corridor between Century and 76th St., including medians, ADA curb ramps, pavement, sidewalks, ITS improvements, signage and striping. Other costs include Prop C, State Transportation Grant (STPL), Measure M MYSP, Measure R LR, and Measure M LR and CalRecycle grant.	**225,000**
223	P62600.223.CONST	Crenshaw Blvd Street Improvement	Transportation & Public Infrastructure	223 State Trans Grant	D, C - Street rehabilitation project; Phase 2 construction FY27. Fed STPL funds. Completion FY28	**3,439,000**
223	P50302.223.CONST	Stormwater Project @ EVJ Park	Utilities	223 State Trans Grant	C - FY27 EVJ Vincent Stormwater construction project; Funded by Measure W (local return, Measure W (Competitive), Caltrans, LA County, and General Fund.	**10,000,000**
223	P67300.223.COSNT	Trans & Intercity Rail Cap -ITC	Transportation & Public Infrastructure	223 State Trans Grant	D, C - Multi-Year program for design and construction of local transit system and related improvements	**125,000,000**
					State Transportation Grant Fund Total	**139,614,000**

Upcoming Project Specific RFPs

- Edward Vincent Jr. Park Stormwater Infiltration – Construction Management and Inspection
  - RFP in early 2027
- Manchester ITS and Street Improvements
  - RFP in mid 2027
- Center Park Expansion Master Plan
  - RFP in mid 2027

Current and Upcoming As-Needed Engineering Services RFPs

- Plan Check Services, Building Inspectors, and Permit Technicians (Closes 11/18/2026)
- Civil and Traffic/Transportation Engineering
- Construction Management and Inspection Services
- Architecture and Tenant Improvement Design Services
- Staff Augmentation

➢ RFPs to go out in phases in 2027

Upcoming Construction RFBs

- Crenshaw Blvd Phase 2 Major Improvement Project
- Aviation Blvd Reconstruction Project
- City Hall Enhanced Security Improvement Project
- Streets and Alley 2026-27 Project
- Real-Time Analysis Center (RTAC) Facility Improvement
- Bus Shelters, Bus Benches, and Trash Receptacle Project
- Downtown ITS Project
